

Forge Shop Helper (Trainee)
West Allis, WI

Job Description

Forge Shop Helper (Trainee)

Unit Drop Forge Co., Inc. is a privately-held heavy manufacturing company that celebrates a *Century of Success* in 2018!

On one hand, it's the kind of gritty, old-school heavy metal manufacturing plant that's pretty rare these days. But on the other hand, it's a high-tech, leading-edge manufacturer with sophisticated engineering and CNC machining capabilities. We've worked hard to develop a culture of mutual trust, respect, and accountability. Known as a great place to work for generations, many employees have spent their entire careers with us.

Located in West Allis, Wisconsin, Unit Drop Forge is a world class manufacturer of custom designed closed-die forged steel components. We have been producing exceptional quality parts for a wide variety of markets such as: Construction, Off-Highway, Mining, Railroad, Wind Energy, Oil Field, Compressors, Forestry and Defense.

Unit Drop Forge is looking for “Entry Level” candidates to join our UDF Team in the Forge Shop. Successful candidates’ will receive a comprehensive training program with opportunities to advance skill and experience in forging (such as Heater, Trimmer, Scaleblower, Hammerman). This is hot, heavy, dirty work that will challenge you - but will also reward you with great pay, benefits, and stability.

Previous Forge Shop Experience Highly Preferred!

Qualifications:

High School Graduate or Equivalent Education
Experience working in a Heavy Industrial Environment
Ability to lift and carry up to 50 lbs.
Work effectively with crew members in a team environment
Excellent attendance and Safety history
Basic Blueprint reading a plus

Successful candidates must pass a drug screen, functional capacity examination, and background check.

Start Date: ASAP

Employment Term and Type: Regular, Full Time

Hours per Week: 40+

Work Hours (i.e. shift): 7:00 am - 3:00 pm

Salary and Benefits: Unit Drop Forge offers a very competitive compensation package, including 16 paid holidays, affordable insurance, and excellent 401(k) plan with Company contribution.

Required Education: High School or Equivalent
Required Experience: Open
